Get on the FitPaws Equipment

Seminar with Maureen Burke

About the Seminar:

- When: July 14-15, 2018
- This seminar is an introduction to the FitPAWS equipment and exercises which can be performed using it or other similar equipment.
- We will spend time learning about the equipment and how to use it to improve our dog's fitness.
- All equipment will be provided for the seminar. Maureen will provide an opportunity for you to purchase your own equipment as well.
- Dogs should be at least eight months old
- The seminar will run from 9 to 5 with a one hour break for lunch (lunch provided).

Registration Fee (per day):

| | |
|-----------------------------|-------|
| Working Spot (Members) | \$110 |
| Working Spot (Non-members) | \$120 |
| Auditing Spot (Members) | \$35 |
| Auditing Spot (Non-members) | \$40 |

About Maureen:

Maureen Burke is a teacher by trade and presently teaches sophomore and senior English at Girard College. As one of the founders and owners of High Octane Agility in Doylestown, Pa., she brings 20 years of experience training dogs. In December 2016, she earned her FitPAWS Master Trainer certification! Maureen helps other teams find success with fitness equipment by teaching seminars using the FitPAWS equipment.
